Local Low-Cost Vet Care and Spay & Neuter Services

Humane Society of Kansas City

913-596-1000

5445 Parallel Parkway Kansas City, KS

Email: info@hsgkc.org

Website: <https://hsgkc.org/services/affordable-care-clinic/>

The Humane Society of Greater Kansas City provides affordable, quality veterinary care and spay/neuter services. We employ veterinarians and support staff for our clinic, which is located in our facility. The mission of our clinic is to help people on a limited budget to care for their pets, to provide education about proper pet care, and to reduce pet overpopulation and save lives by spaying and neutering.

Proper veterinary care is essential to keeping pets healthy and happy, and affordable care helps people from having to give up their beloved pets or euthanize them during difficult financial times. We are able to offer these services because our costs are subsidized by private donations. Although we do not screen clients based on their financial abilities, our desire is to help those with limited finances care for their pets.

We are open Monday through Friday — providing wellness/sick exams, vaccines, and surgeries by appointment only. Please call us at (913)-596-1000 or email schedule@hsgkc.org to schedule an appointment.

Note: The clinic is closed from 12-1 Monday through Friday so team members can take lunch.

We are thrilled to be able to (re)open our full-service clinic to you and your furry four-legged companions!

Pet Resource Center

The Pet Resource Center is here to help! If you have a pet, you already know how powerful the human animal bond is and how it can change lives.

We're here to help preserve it. No judgment, no attitude ... just kindness and support.

That includes providing between 9 – 12,000 spay/neuter surgeries per year, vaccinating between 15-17,000 pets annually, helping with pet food.(over 40 tons in 2021 alone) and helping with minor medical issues as well as supplies like toys, dog houses, collars, leashes, flea and tick prevention, bowls and many other critical items.

If you need help with:

- [Spay/neuter](#)
- [Vaccines](#)
- [Resources](#)

Or for any pet-related questions of any kind, we're here to help. Our client care team is standing by at 816-353-0940, ext. 5.

Northland Animal Welfare Society (NAWS)

816-336-1886

6972 N Broadway

Gladstone, MO 64118

Website: <https://www.pcnaws.org/>

The Northland Animal Welfare Society opened the NAWS Low Cost Spay/Neuter Clinic on February 25, 2012, making it the first ever spay and neuter clinic in the Northland. We believe that by offering education and low cost spay/neuter services to the higher risk, low-income pet owners in the Northland, we can reduce the number of litters born and the number of animals brought into shelters and rescue groups throughout the area. Our target populations are low-income residents who receive some type of government assistance such as: food stamps, Medicaid, SS, disability, etc., or people who are not receiving assistance and are working, but only earn less than \$30,000 a year. We are not a full-service clinic and only provide the following services for dogs and cats: spay, neuter, vaccinations, micro-chip, nail trim, heart-worm test, feline FIV/Leukemia test, De-worming, tapeworm and capstar (24 hour flea treatment). Additionally, we also service clients (who do not have to meet income guidelines) in reducing the free roaming cat population in their neighborhood through the Trap-Neuter-Return (TNR) Program. Some businesses and people in the community regularly donate food and pet related items. This has afforded us the opportunity to have an onsite Food Pantry to assist our customers and rescue groups, as well as a Pet Boutique of gently used and new items for NAWS customers.

Pet Food Pantries

Great Plains SPCA

<https://www.greatplainssPCA.org/programs/pet-food-pantry/>

Food Pickup is the second Saturday of every other month

Just as there are food pantries for families who need a hand, there are food pantries for pets whose owners love them but need a little extra assistance with their food costs. We proudly distribute thousands of pounds of food every other month to local families residing in Kansas City, Kansas and Johnson County, Kansas!

Pet Resource Center of Kansas City

<https://prckc.org/pet-resources/pet-food-pantry/>

When dog and cat owners in Kansas City need help feeding their pets, they can turn to PRCKC.

With the help of generous donors, community partners and companies, we're able to provide food for thousands of pets each year. In fact, through July of 2020, we've distributed over 50 tons of pet food to individuals, shelters, rescues and churches throughout the Midwest.

We can do this because of the generosity of the big-hearted people and organizations in our community. They understand as we do that a family shouldn't have to forego the love of a pet because they struggle to buy food from time to time.

The Humane Society of Greater Kansas City

<https://hsgkc.org/services/pet-food-pantry/>

HSGKC's Community Pet Food Pantry is located at our facility and is open to anyone and everyone that needs help feeding their pets.

Please call us at 913-596-1000 or email foodpantry@hsgkc.org to schedule a time to pick up food or if you need assistance overcoming a transportation barrier.

Resurrection Overland Park Food Pantry

<https://resurrection.church/local/hunger/#opk>

The Resurrection Overland Park Food Pantry helps bridge the food insecurity gap in our community. It takes 40 volunteer shifts to operate each week and is open Wednesdays. We are blessed to provide nutritious food to over 100 families each week! Dog and cat food available.

The pantry is open on Wednesdays between 9 am – 12 pm and 3 – 7 pm.

Organizations Providing Vet Bill Assistance

Resurrection, A United Methodist Church Pet Ministry

Thanks to a grant from the Resurrection Foundation, we are able to offer financial assistance for those in need to help pay for healthcare costs for their pets. This was made possible through the generosity of a legacy gift from a donor. If you are in need of financial assistance to help pay for your pet's veterinary care, please click the link below and complete the form. You can also find the form at www.resurrection.church/pets

Bow Wow Buddies Foundation

Website: <https://bowwowbuddies.com/>

The Bow Wow Buddies Foundation® is a nonprofit organization dedicated to helping sick and injured dogs by funding urgent medical care and aiding with veterinary bills for serious conditions. Our furry friends bring pride and joy to our lives and lift us up when we are down—so it is our mission to return the favor.

Our Foundation is dedicated to providing medical care funds to individuals struggling to cover their veterinary bills for serious ailments, and to shelters and rescue organizations that need assistance to cover necessary medical treatments for dogs awaiting adoption.

Brown Dog Foundation, Inc.

Unit 200

Carlsbad, CA 92009

Email: browndog@browndogfoundation.org

Website: <https://browndogfoundation.org>

Facebook: www.facebook.com/browndogfoundation

Brown Dog Foundation is a very small organization that receives more than 4,000 requests for assistance each year. Unfortunately, we say "no" much more frequently than we can say "yes". Because of the high volume of requests, our resources are allocated first to those pets whose life is in near-immediate danger and whose "gap" our on-hand resources can cover.

Emma's Foundation for Canine Cancer, Inc.

Website: <https://emmasfoundationforcaninecancer.org/>

Emma's Foundation for Canine Cancer will work to heighten canine cancer awareness, provide resources and to provide financial funding to pet owners who do not have the financial ability to pay for the canine cancer treatment of their beloved pet. Our focus is on sparing or prolonging the life of our canine friends, by assisting with financial support.

Frankie's Friends

Email: helprequest@frankiesfriends.com

Website: <https://www.frankiesfriends.org>

Link to Grant: <https://www.frankiesfriends.org/national-frankies-friends-fund>

We help save pets' lives by providing grants to assist with the cost of life-saving or life-enhancing emergency or specialty care for pets whose families cannot afford the full cost of treatment.

Special funding may be made available to support the care of certified working dogs as well as rehabilitation of sick or injured wildlife.

Frankie's Friends assists families who demonstrate substantial financial need and whose pets, with treatment, have a good prognosis for return to a good quality of life. A portion of the treatment costs are also covered by the pets' families with a requested discount from the veterinary hospital treating the pet. We fund treatment only. We do not fund initial examinations, diagnostic testing, spays or neuters, euthanizations, primary or preventative care.

Friends & Vets Helping Pets

Website: <https://friendsandvetshelpingpets.org/>

Friends & Vets Helping Pets was founded to assist families with financial limitations to pay for extraordinary veterinary expenses necessary to save a pet's life. We hope to solve the problem of families being forced, unnecessarily, to euthanize a family pet solely because of cost restraints. FVHP staff works with both the veterinarian and the family to provide pets with the necessary medical treatment so they can live out their lives in a loving and caring environment.

Hope Mending Hearts

Website: <http://www.hopemendinghearts.net/grant-process/>

As a veterinarian for more than 10 years, Dr. Brooks has always had a passion for all animals and has been an advocate for those that would otherwise have none. Taking in dozens of animals over the years, Dr. Brooks heart continues to grow. She has one of the largest hearts that you will ever see in a veterinarian.

Over the course of 10 years Dr. Brooks has given out of her own pocket over \$100,000 to support owners and animals that do not have the resources to care for animals that require an emergency surgery. It is with this mindset that Hope Mending Hearts became a dream of Dr. Brooks. Dr. Brooks has worked extraordinarily hard to establish a 501(c)(3) that will encompass the love and compassion she has for veterinary medicine.

By providing the service of offering grants to owners that are financially struggling, animals that are in urgent need to receive care can be helped. Owners will no longer have to contemplate euthanasia when the animal can be healthy after the emergency surgery. The whole idea is to pay it forward. If you like to know more about Dr. Brooks and Hope Mending Hearts, please don't hesitate to contact her at HopeMendingHearts.com.

Lantz Tucker Memorial Fund for pets

Website: <https://www.lantztuckermemorialfund.org>

The Lantz Tucker Memorial Fund for pets was founded because Lantz believed that a pet shouldn't lose the family that loves them, simply because the family doesn't have the money for emergency vet bills. Our fund is specifically to assist with vet bills for life saving and

emergency treatment, in situations in which the pet would either suffer, or relinquished to get care, or in which the pet would be in danger of being euthanized.

RedRover Relief

Website: <https://redrover.org/relief/urgent-care-grants/>

The RedRover Relief Urgent Care grant program provides financial assistance, resources, and emotional support for pet guardians struggling with economic hardship when pets are in life-threatening situations.

The average grant is around \$250 and is intended to fill a small gap in funding that is keeping an animal from care.

The Mosby Foundation

Website: <https://themosbyfoundation.org/>

The Mosby Foundation helps qualified limited-income pet parents facing extenuating veterinary circumstances no one could possibly foresee.

The Pet Fund

Website: <https://thepetfund.com/for-pet-owners>

The Pet Fund is a registered 501(c) 3 nonprofit organization that provides financial assistance to owners of domestic animals in the United States who need veterinary care.

Veterinary Financing Options

Care Credit

Website: <https://carecredit.com/vetmed>

Using CareCredit for Veterinary Financing

The CareCredit credit card can be used for routine veterinary appointments, grooming services, emergency pet care, or a variety of surgeries and treatments your pet may need. It gives pet owners the peace of mind needed to care for pets big and small.

Unlike traditional pet financing or veterinary payment plans, the CareCredit credit card gives you the flexibility to use your card again and again for your pet's procedures.* CareCredit coverage is available for dogs, cats, birds, horses, lizards, rabbits, guinea pigs, and so much more.
