A GIFT FOR YOU

CANDLELIGHT  
CHRISTMAS EVE

OFFERING

# MERRY CHRISTMAS!

A special gift was given in your honor to Resurrection's 2023 Christmas Eve offering. This gift helps fund strategic local and global initiatives that provide hope to children and families living in poverty.

In Kansas City, we will help provide vital preventative dental care to children in our pre-k and elementary partner schools. We'll continue to address food insecurity and provide other social services aimed at improving the quality of life for families.

In our global partnerships, we will fund educational and vocational training opportunities for children and youth, and support health and economic empowerment initiatives in Honduras, Malawi, South Africa, Uganda, Haiti and Lebanon.
