

Do unto

others

as you would have them do unto you.

(Matthew 7:12)

I pledge to exercise my right to vote as a sacred act that reflects my values as a follower of Jesus. I will ask God to guide my heart and mind in choosing leaders who will work for the well-being of all people.

Regardless of how the election turns out, I will treat those who voted differently from me with kindness and curiosity. I will seek to understand their concerns and aspirations, and I will look for opportunities to work with people with whom I disagree.

A Prayer for Healing of Our Country

Gracious God, thank you for the blessing of living in a country where “liberty and justice for all” are core values, one where we have the privilege of electing our leaders.

Guide us to make wise decisions in the election and to choose leaders who will seek to be just, kind and humble.

Finally, help me to be part of the solution to polarization, and not part of the problem. Lead me to be kind and curious and to treat others as I want to be treated. Help me to love my neighbors.

In Jesus’ name, Amen
