NEW AGAIN

While all the trees and plants are going dormant for the winter, Resurrection Students is full of life and activity. We are still New Again! We have a great kick off event at Main Event (one in KS and one in MO). We have a new student conference called Converge that will include students from Resurrection and other churches from around the area. We are partnering with the same organizations for our serve trips so we can continue to build on the relationships we've established. The experience will be new, especially in North Carolina as we help people recover from a devastating hurricane. So, check out all the things and sign up for some or all of it!!!

Register for all trips and events at resurrection.church/students.
