Terms to Know

Insurance terms can be confusing and can make enrollment more complicated than it needs to be. Here are some common terms to be familiar with when reviewing your materials:

- **Deductible** – A specific dollar amount you must pay out of pocket before your insurance starts to pay. Under your current plans, the deductible is waived for certain services.
- **Coinsurance** – The amount or percentage that you pay for certain covered health care services under your health plan. For most services under your plan, coinsurance applies after the deductible is met.
- **Copayment (or Copay)** – A flat fee that you pay toward the cost of covered medical services (for example, a doctor’s office visit). For your plan, most copays apply before the deductible is met.
- **Out of Pocket Maximum** – A specific dollar amount that includes deductible, coinsurance and copayments (copays) you must pay out of pocket before insurance pays 100% for the remainder of the plan year.
- **In-network** – Health care received from your primary care physician or from a specialist within an outlined list of health care practitioners. Using In-network providers provides you with the highest level of benefits under your plan.
- **Out-of-network** – Health care received from non-network providers. Using Out-of-network providers can result in more cost to you.
- **Premium Contribution** – The amount you pay for a health plan in exchange for coverage.

MEDICAL

Blue KC Prescription Medication Coverage

Our medical coverage through Blue Cross Blue Shield of Kansas City includes a Prescription Drug Program. The cost of each prescription is determined by the tier it falls under. You can find in-network pharmacies and a list of covered prescriptions at www.bluekc.com.

GENERIC DRUGS

Tier 1

To get more out of your health care plan, choose generic drugs when possible. Generic drugs are the chemical equivalent of their more expensive brand name drug counterparts. Even if your doctor prescribes you a brand name drug, you can always ask for the generic equivalent.

PREFERRED DRUGS

Tier 2

Preferred brand name drugs are prescriptions that your pharmacy benefit plan has selected as the most effective and cost efficient to treat certain conditions or illnesses. These brand name drugs are often more expensive than their generic counterpart.

NON-PREFERRED DRUGS

Tier 3

Non-preferred brand name drugs treat conditions or illnesses that can also be treated by a preferred brand name or generic prescription. These drugs typically have a higher copayment.

SPECIALTY DRUGS

Tier 4

Specialty drugs are high-cost prescription medications used to treat complex, chronic conditions like cancer, rheumatoid arthritis, and multiple sclerosis. These drugs sometimes require special handling and administration.

DENTAL

CIGNA Dental Insurance

A confident smile starts with oral health. The dental plan(s) offered to you by Resurrection through CIGNA make it easy for you and your family to take care of your smiles. As with all other coverage, it's important to stay in-network. Before each appointment, verify your dentist is still in CIGNA's network and be sure to present your CIGNA Digital ID Card to your dentist each visit.

If your dentist recommends services other than a preventive cleaning, ensure you ask for and receive a pre-treatment estimate *before the work is performed*. This will avoid any misunderstanding of CIGNA benefit payment amounts.

To find in-network providers, visit www.cigna.com or call the toll free # listed on the back of your ID card for assistance.

tip
Be aware of your deductible and calendar year maximum if you have services performed and when these "start over."

HEALTH SAVINGS ACCOUNT

UMB Health Savings Account (HSA)

A health savings account allows you to set aside money on a pre-tax basis to pay for qualified expenses, such as doctor visits, prescriptions, braces, or even Lasik eye surgery, with tax-free dollars.

There is no use it or lose it rule with HSAs. Any remaining balance at the end of the year will roll over into the next plan year. HSAs are also portable. This means that if you were to change jobs or health plans, the money in your account stays with you.

One of the best parts of the HSA is its triple-tax advantage:

- tax-free deductions when you contribute to your account
- tax-free investment earnings
- tax-free withdrawals for qualified medical expenses.

tip

Keep all receipts from HSA expenses and *associated documentation to prove HSA funds were used for qualified medical expenses.*

After you enroll in the HSA, you should receive a card linked to your account to pay for qualified expenses. You may be penalized or taxed if you use your HSA funds to pay for ineligible expenses. Qualified expenses include prescriptions, contact lens fitting, orthodontia, acupuncture, artificial teeth, eyeglasses, or other expenses that apply towards your deductible. A full list of qualified expenses can be found on the IRS website.

Eligibility

- You are enrolled in a Qualified High Deductible Health Plan (HDHP); and
- Are not covered under another medical plan such as Medicare, Tricare or a spouse's medical plan (not an HDHP) which provides similar coverage; and
- Cannot be claimed as a dependent on another person's insurance policy or tax return.
- If you enroll in an HSA, neither you nor your spouse can be enrolled in a traditional medical FSA through their employer.

IRS Calendar Year Contribution Limits

| | Individual | Family | Age 55+ Catch Up |
|-------------------|------------|---------|------------------|
| IRS Tax Year 2025 | \$4,300 | \$8,550 | \$1,000 |

To help offset the HDHP deductible, Resurrection will contribute the following amounts per pay period to the employee's HSA .

| 2025 | QHDHP PPO & EPO |
|------------|-----------------|
| Individual | \$40.00 |
| Family | \$62.50 |

See Plan Document and Summary Plan Description for Plan details.

FLEXIBLE SPENDING ACCOUNT

UMB Flexible Spending Account (FSA)

A Flexible Spending Account, or FSA, is an account set up by your employer that allows you to pay for medical and dependent care expenses on a pre-tax basis. Pre-tax means before federal, state, and social security taxes are deducted from your paycheck. Refer to the IRS website for a full list of qualified and unqualified expenses. Our FSA Administrator is UMB, and you can select either a Medical FSA, a Dependent Care FSA, both or neither.

Medical FSA

- You will receive a debit card that can be used at your doctor's office or pharmacy for qualified expenses.
- The Medical FSA Carryover allows unspent FSA money to roll into future plan years. Any unused medical funds for your 2024 plan year account, up to \$660 will automatically be carried over for use in the 2025 plan year. Even if you do not make a new election for the 2025 plan year Medical FSA, you are still eligible to use your carried over funds in 2025. Any unused Medical FSA funds over \$660 at the end of the plan year will be forfeited.
- The carryover does not count toward your annual maximum Medical FSA limit in the year it is carried over. You can elect the maximum amount and have a carryover in the same plan year.
- If your spouse participates in a Medical FSA through his or her employer and both plans offer the carryover, both spouses can carry over up to \$660.
- If your spouse is enrolled in an HSA, you cannot enroll in the Medical FSA.

tip

Budget wisely. FSA accounts have a “use it or lose it” rule. Any money remaining in the account at the end of the plan year in excess of \$660 must be forfeited.

Limited Purpose FSA

- For dental and vision expenses only.
- Available if you are enrolled in Resurrections' HSA plan.

Dependent Care FSA

- Use pre-tax income for dependent care for children up to age 14 who are being cared for while you or your spouse are working or seeking employment.
- Eligible dependents could also include a spouse or other IRS dependent who is mentally or physically disabled.
- A full list of qualified expenses can be found on the IRS website.

2025 Calendar Year Contribution Limits

| Medical FSA | Limited Purpose FSA | Dependent Care FSA |
|-------------|---------------------|--------------------|
| \$3,300 | \$3,300 | \$5,000 |

You must choose to enroll in a Medical, Limited Purpose or Dependent Care FSA each year – your participation will not automatically carry over from year to year.

See Plan Document and Summary Plan Description for Plan details.

FLEXIBLE SPENDING ACCOUNT

UMB Flexible Spending Account (FSA) Continued

IRS Rules Govern Substantiation Requirements

The IRS has established specific guidelines that require all Benefit Spending Accounts, including Flexible Spending Account and Dependent Care Account transactions — even those made using a debit card — to be substantiated (verified that the purchase was an eligible expense).

The substantiation process is performed by UMB. They are very diligent in the execution of the substantiation process to avoid adverse tax consequences to employees.

| | Substantiation REQUIRED | No Follow-Up REQUIRED |
|--|-----------------------------|--|
| Matched Co-Pays | | X |
| Transactions at merchants who can electronically validate the expense at the point of sale | | X |
| Recurring Expenses | One time only (annually) | No further substantiation needed if the subsequent transaction exactly matches the provider and dollar amount as the transaction previously approved |
| Medical Care | X | |
| Dental Care | X | |
| Vision Care | X | |

UMB makes it easy to submit required receipts, just follow the SWIPE and SNAP rules!

Simply swipe your card, collect your itemized receipt or Explanation of Benefits (EOB), and snap a picture to upload it to your online account.

If you have questions about your account(s), contact UMB Consumer Services:

Eligible staff receive eight weeks, based on regularly scheduled weekly hours, of paid parental leave following the birth of a child or, in the case of legal adoption, the arrival of a child who was not previously a stepchild into the home for purposes of adoption. Parental Leave generally commences on the date of birth or placement for adoption but is available during the 12-week period following the birth or arrival of a child into the home for purposes of adoption.

Bereavement Leave

Eligible staff may take up to four days of paid bereavement leave for the death of an immediate family member. Bereavement pay is calculated based on your base pay and one-fifth of your regularly scheduled weekly hours for every day taken. With the approval of your supervisor, you may use available personal and/or vacation leave for additional time off.

Immediate family is defined as your spouse, parent, child, sibling; your spouse's parent, child or sibling; your child's spouse; and you and your spouse's grandparents and grandchildren.

If you wish to take any time off due to the death of another individual not defined as immediate family, you must request this absence from your supervisor and accrued personal and/or vacation leave must be utilized.

Jury Duty

Staff are encouraged to fulfill their civic responsibilities by serving jury duty when required. Eligible staff should provide a copy of your jury duty summons to your supervisor and Human Resources as soon as possible so arrangements may be made to accommodate your absence. Staff should request Jury Duty Leave in ADP and are expected to report for work whenever the court schedule permits.

Voting Time

Eligible staff may take up to three hours of paid time to vote on election day for each local, state and national election if the polls are not open three consecutive hours before or three consecutive hours after the employee is scheduled to work on the day of the election.
