

Giving and Commitments

Your Resurrection account gives you access to manage your giving and commitments.

This guide provides instructions on how to access:

- Giving History
- Established Recurring Giving Schedules
- Creating New Gifts and Giving Schedules
- Saved Payment Accounts
- Ministry Fund (operating) and capital campaign commitments

There are links to access our previous online giving platform, Pushpay, for those with recurring giving schedules established there. We can help you transition those schedules to the Resurrection giving platform at any time. You can create or manage your account using the information on the 'Giving Schedules' page.

Getting started is easy – log into your Resurrection account and select 'Giving and Commitments' from the 'My Account' page. If you don't have a Resurrection account and need to create one, you can access the instruction guide by following the instructions on page 2.

Contact Donor Relations at development@cor.org with any questions.

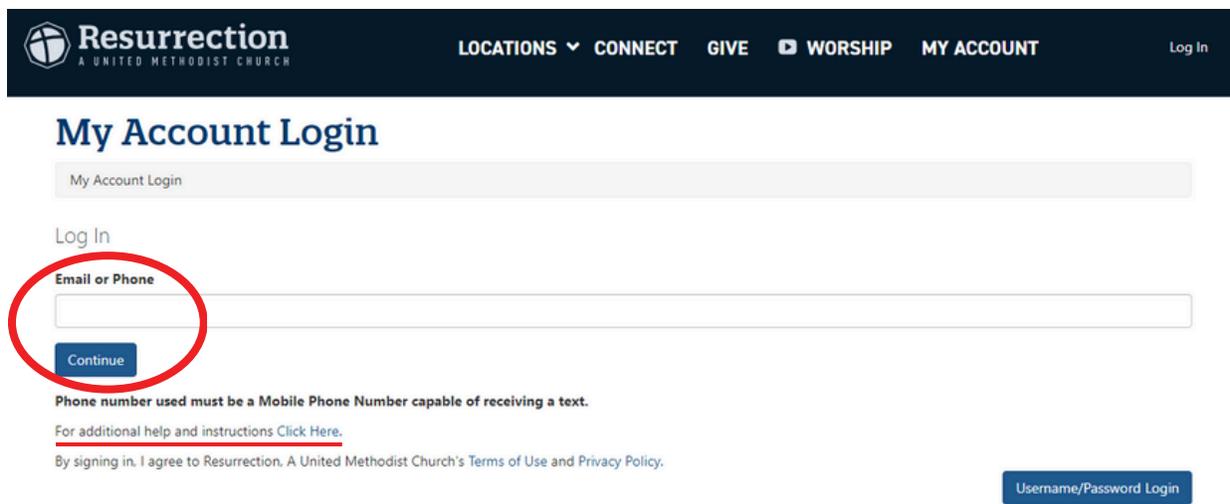

Logging Into My Account

1. Start at the Resurrection website: <https://resurrection.church>
2. Click 'My Account' in the upper right of the page

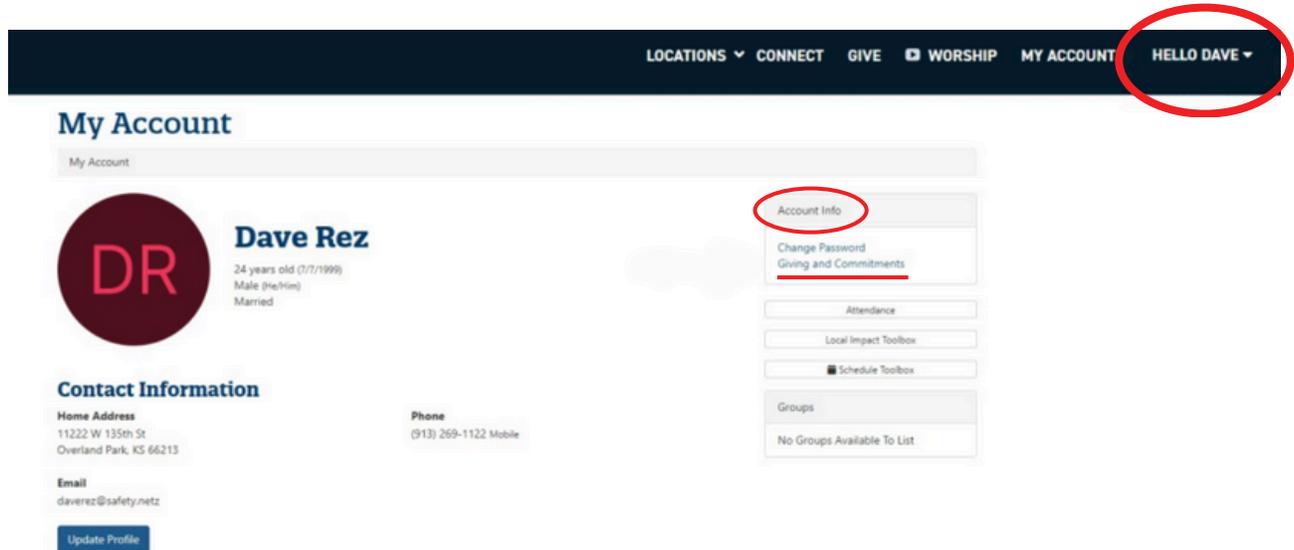

3. Enter your mobile phone number or primary email address and click 'Continue'. You will receive a login code by text message or email, and will need access to your mobile phone or email to verify your account. Complete the remaining steps as directed.

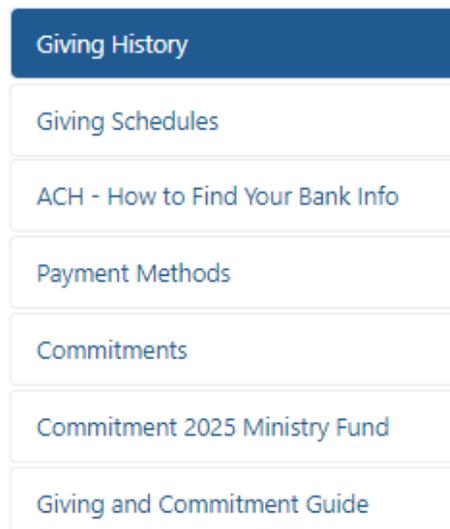

4. For additional help with your account login, including creating a new account and profile, click [this link](#) for instructions (underlined in the image above).

When you log in, the 'My Account' page will display your first name in the upper right corner of the page. In the 'Account Info' section, click the link for 'Giving and Commitments'. If you're using your phone, scroll down below your personal information to find the 'Account Info' section.

Your Giving and Commitments dashboard allows navigation between giving history, giving schedules, payment methods and commitments using the left-hand menu.

The 'Giving History' page provides access to:

1. Available Contribution Statements
2. A Summary of contributions by fund made during the current calendar year
3. A List of contributions for the year

If you do not see your recurring schedule below and set it up prior to August 2023, it was likely set up on the Pushpay online giving platform. We are happy to announce a significant upgrade to our online giving system, transitioning from Pushpay to our new secure platform where you can make your gifts directly through the church's website. This will enable all your giving to be in one convenient, secure place. By making this change we are saving substantially on administrative fees, so more of your giving will go directly to our ministry and programs here at Resurrection!

If you have a recurring gift in Pushpay, you will hear from the Donor Relations Team with instructions on how to transition your generosity seamlessly. To access your giving through Pushpay now, [Sign in to Pushpay here](#).

Please note: editing your commitment does not change your recurring gift schedule.

Your commitment is simply a way for you to share your gift intentions for the ministry fund or capital campaign as an act of worship in addition to helping us plan. To change the amount you're giving, you must also update your gift schedule (cancel, change amount, change frequency, etc.). See page 5 for instructions on editing a giving schedule.

The 'Commitments' page displays current and past commitments to the Ministry Fund and other campaigns. Current and future commitments will display options to 'Edit' or 'Cancel'. If you need to edit a commitment, click on the pencil icon under the 'Edit' column and a Commitment page presents your current commitment information for you to update as needed. If you need to cancel, click on the 'X' and your commitment will be removed from your record. Click on 'Commitment 2025' to make your 2025 Ministry Fund and Generation to Generation capital campaign commitments.
