# RESURRECTION BRASS CHOIR

The Resurrection Brass Choir includes members from the trumpet, horn, and low brass sections of the Resurrection Orchestra, which leads traditional worship services from mid-August to June. They play a key role in the annual Christmas performances and some members also participate in Kansas City-area wind ensembles, community orchestras, teach at the collegiate level, and perform with professional symphony orchestras.

# VOICES OF RESURRECTION

The Voices of Resurrection is an auditioned vocal ensemble of 24 singers specializing in vocal jazz and tight harmonies in 8-10 parts. They lead worship at the 7:30 and 11 am traditional services at Leawood, on the 2nd Sunday of the month. Voices of Resurrection has led worship in churches all over the country and was a featured choral group at General Conference in Tampa, FL.

## ADORATION CHOIR STRINGS ENSEMBLE

Adoration Choir is an all-female choir formed over 20 years ago to sing beautiful harmonies, build friendships, and share Christ's love through mission outreach. They perform at several Kansas City area assisted living and long-term care facilities. They perform concerts and visit with the residents and sometimes lead worship services for them. Adoration leads worship once a month at the 7:30 am traditional service at Leawood.
