

Radical Hospitality

BEYOND FRIENDLY: strives to consistently exceed people's expectations of welcome and inclusion.

OTHERS COME FIRST

- Smile and make eye contact.
- Offer a warm greeting to each person you encounter.
- Pay attention and be quick to make space or lend a hand.

STRIVE FOR EXCELLENCE

- Go above and beyond, surprise and delight people by exceeding expectations.
- Notice and address anything of concern. See something, do something.

EVERYONE BELONGS

- Be respectful of other opinions, cultures, and abilities.
- Introduce yourself and learn other people's names.
- Offer a warm and sincere goodbye.

*Adapted from Resurrection Experience Standards

Our Purpose is to build a Christian community where non-religious and nominally religious people are becoming deeply committed Christians.

PRACTICE THESE TWO RULES:

- **10-ft. rule:** Take responsibility for welcoming those within 10ft. of you, especially people who may be alone.
- **3-min. rule:** Spend 3 minutes before and after any church activity talking to someone you don't know very well.

“Be kind in the way you act toward outsiders; make the most of every opportunity. Let your conversations be always full of grace...” - COLOSSIANS 4:5-6A, NIV
