

Online Application Form

Thank you for your interest in serving as an elected lay leader at Resurrection. Please review membership requirements at resurrection.church/governance to ensure eligibility prior to completing this application. Committee members typically serve in a preparatory year prior to a three-year term as a voting member. Note that you must be a member of Resurrection for at least two years prior to serving in a preparatory role, or three years before serving as a voting committee member.

This process of considering a role of Christian leadership is one of discernment. Resurrection serves a variety of communities at different locations throughout the city. Leaders of all abilities, who bring diverse perspectives to these positions, can help ensure a culture that encourages collaboration, flexibility, equity, and Christian service.

To forward your name for consideration, please complete this form by Monday, October 6, 2025. Thank you in advance for considering this important way to serve our church ministries.

Elected lay leaders are required to be Safe Gatherings certified within 30 days of election to a committee. The Safe Gatherings process includes background and reference checks, as well as boundary awareness training, to ensure the safety of our most vulnerable guests while protecting your integrity and that of the church.

Serve: volunteering in a ministry, and serving others in my daily life

Give: contributing to God's work in proportion to my income, and living generously toward others

Share: inviting others to church, and sharing my personal faith story
