GENEROSITY

Making Someone's Day By Giving
Something Away

TALK

- At a meal this week, have everyone at the table answer this question: "What are some good things God has given you?" (friendships, things, food, encouragement, etc.)
- Now discuss as a family what good things you have that you could share with others? Generosity can be giving more than just physical things. You can give your time, talents or resources. Make a list of those together.

DO TOGETHER

Make a list of five ways you could generously give your time this month. Then, think about the best day and time to perform those generous acts and write it next to each item. Draw a line through each task you complete. Check your work at the end of the month to see if you've followed through.

Memory Verse

"Every good and
perfect gift is from
God."

James 1:17a NIV

EARLY CHILDHOOD | November

TALK

God has given us all amazing things to be grateful for. Take time to talk through these questions:

- What is your favorite thing God made?
- What is your favorite food to thank God for?
- Can you think of a toy or book you are glad to have?
- Who takes care of you that you can thank God for?
- What is your favorite thing to do that God gives you the chance to enjoy?

DO TOGETHER

Create a "Thankful Tree" together as a family by drawing or outlining a large tree on a poster board or dry erase board. Cut out paper leaves or use sticky notes as the "leaves of thankfulness," and invite each family member to write something they are grateful for on a leaf and add it to the tree. As you place the leaves, take time to talk about how God has provided those blessings and why you are thankful for them. Throughout the month, continue adding new leaves to your tree as you think of more things you are grateful for. At the end of the month, reflect together on how God has filled your lives with so many amazing things.
