

A GIFT FOR YOU

Candlelight Christmas Eve

OFFERING

Resurrection
A UNITED METHODIST CHURCH

Merry Christmas

A special gift was given in your honor to Resurrection's 2025 Christmas Eve offering. This gift funds strategic local and global initiatives that provide opportunity and hope to children and families living in poverty.

In Kansas City, we are focusing our efforts on critical needs children and families have in the areas of education, food insecurity, housing, and economic well-being.

Through our global partnerships, the offering will support programs aimed at alleviating extreme poverty for vulnerable children and families through education, permaculture, economic empowerment, and health care.

To learn more about the impact of this gift, please visit: resurrection.church/Christmas.
