FORWARD FAITH

We know what it feels like to stay in one place. It is good for a while. It is a place we rest, gain energy and plan for the next thing. We can't just stay, though. Moving is the goal. Forward. Not backward. Forward Faith means that we aren't staying in the same place. We are always learning, moving forward to the next thing with increasingly more valuable experiences. In fact, we use a term when we are excited about the next thing. We are "looking forward to..." So, look forward to this year and all the things that gives us **FORWARD FAITH.**
