

Giving and Commitments

Your Resurrection account gives you access to manage your giving and commitments.

This guide provides instructions on how to access:

- Giving History
- Established Recurring Scheduled Gifts
- Creating New One-Time Gifts and Recurring Scheduled Gifts
- Saved Payment Methods
- Ministry Fund (operating) and Capital Campaign Commitments

There are links to access our previous online giving platform, Pushpay, for those with recurring scheduled gifts established there. We can help you transition those scheduled gifts to the Resurrection giving platform at any time. You can create or manage your account using the information on the 'Manage Scheduled Gifts' page.

Getting started is easy – log into your Resurrection account and select 'Giving and Commitments' from the 'My Account' page. If you don't have a Resurrection account and need to create one, you can access the instruction guide by following the instructions on page 2.

Contact Donor Relations at development@cor.org with any questions.

Logging Into My Account

1. Start at the Resurrection website: <https://resurrection.church>
2. Click 'My Account' in the upper right of the page

3. Enter your mobile phone number or primary email address and click 'Continue.' You will receive a login code by text message or email and will need access to your mobile phone or email to verify your account. Complete the remaining steps as directed.

A screenshot of the 'My Account Login' form. The header is dark blue with the church's logo and navigation links: LOCATIONS, CONNECT, GIVE, WORSHIP, and MY ACCOUNT. The 'Log In' link is circled in red. Below the header is a large purple banner with the text 'Welcome to Resurrection' and 'To know, love, and serve God'. There are two buttons: 'VISIT RESURRECTION' and 'REQUEST CARE'. A large heart graphic with the text 'Do Unto Others' is overlaid on the left side of the banner. The form itself is white and contains the following elements: a 'Log In' section with a 'Continue' button, a 'Phone number used must be a Mobile Phone Number capable of receiving a text.' warning, a 'For additional help and instructions Click Here.' link, and a 'By signing in, I agree to Resurrection, A United Methodist Church's Terms of Use and Privacy Policy.' statement. There is also a 'Username/Password Login' button.

4. For additional help with your account login, including creating a new account and profile, click [this link](#) for instructions (underlined in the image above).

When you log in, the 'My Account' page will display your first name in the upper right corner of the page. In the 'Account Info' section, click the link for 'Giving and Commitments.' If you're using your phone, scroll down below your personal information to find the 'Account Info' section.

Your Giving and Commitments dashboard allows navigation between contribution statements, scheduled gifts, saved payment methods, and commitments using the left-hand menu.

The 'Contribution Statements' page provides access to:

1. Available Contribution Statements
2. A Summary of contributions by fund made during the current calendar year
3. A List of contributions for the year

Saved Payment Methods

The 'Saved Payment Methods' page lists saved bank accounts and/or credit cards that you have chosen to save and that were used to complete previous gifts and scheduled gifts. Payment methods can be deleted by clicking the 'X' to the right of an account.

Please note: deleting a payment method will not automatically remove that payment method from an existing giving schedule, it will only eliminate that method as an option for future new gifts. You must also update your scheduled gifts with a new preferred method if you wish to update your payment method connected to a recurring gift.

See page 5 for instructions on editing scheduled gifts.

Please note: editing your commitment does not change your recurring scheduled gift.

Your commitment is simply a way for you to share your gift intentions for the Ministry Fund or capital campaign as an act of worship, in addition to helping us plan. To change the amount you're giving, you must also update your scheduled gift (cancel, change amount, change frequency, etc.).

See page 5 for instructions on editing a recurring scheduled gift.

The 'Commitments' page displays current and past commitments to the Ministry Fund and other campaigns. Current and future commitments will display options to 'Edit' or 'Cancel.' If you need to edit a commitment, click on the pencil icon under the 'Edit' column to update your current commitment information as needed. If you need to cancel, click on the 'X' and your commitment will be removed from your record. To add a new commitment, click on the fund at the top of the page to add a commitment for that fund.
