EVERY *Gift* MATTERS

Together, we make the most of all God has entrusted to us.

Be in worship on November 15.

On November 15, we'll bring our commitments forward together during worship as we look ahead to the 2027 Ministry Fund year. Plan to worship in person to make your commitment alongside one another and celebrate the ministry we make possible together as a church.

Resurrection's ministry doesn't rest on any one gift.

It's carried by all of them, at every level, and each one makes this work possible. Lives have been changed and faith has been passed on because of your generosity.

If you're already giving, thank you. If you're ready to jump in, there's a place for you here.

Find yourself on the chart. It shows the range of giving among our congregation and the percentage of donors giving at each level. As you reflect on your own giving, consider whether you are able to take a next step in generosity.
